Dear Potential Member:

Mansfield, Missouri is a unique town located at a crossroads of the Ozarks. It is where the “Little House” books were written and the final home of Laura Ingalls Wilder. Mansfield is also where literally millions of travelers pass through heading east and west as well as going south to the lake’s region or north to the capital. If you would like to be a part of helping set the direction for the Mansfield area, please fill out the application below to see if you qualify.

What is the Chamber of Commerce?

The Chamber of Commerce strives to build the sense of community that sometimes gets lost in the busy world of today. It is only when the citizens of the Mansfield area have a sense of pride in their community and are willing to do their part, that significant improvements can and will be made. Everyone working together can make the Mansfield area a better place to live work and play.

People, by using their individual abilities and talents can accomplish a lot when they work together toward a common goal. Who knows more about the needs of the Mansfield area than the business that use this area to make their living? The enjoyment both gets from living in the Mansfield area can be enhanced by improving the beauty, economic opportunities, historical attractions, and recreational services of our area.
